Cr. G. den Dulk - NEW SHIRE PRESIDENT

Cr. G. den Dulk is Altona's new president. His election was unopposed. He will be the eighth Shire President since the Shire was created in May, 1957. Inexpressing thanks Cr. den Dulk voiced his hopes and aims during his term of office.

He said he hoped to do as much for the Shire as previous presidents have achieved. All had given their utmost but each had a different version of the requirements of office. He would do all in his power to do a good job as representative of the Shire.

Cr. G. den Dulk

tary Public Works Committee inquiring into the extensions and improvements to the Altona railway line; the finalisation of the Cherry Swamp drain; completion as promised within 12 months of drains and footpaths for all residents of unmade streets; some progress in the problem of the removal of the Briquette Dump.

Cr. Gerardus den Dulk came to Australia from Holland 12 years ago and settled in Altona. He and his wife were naturalised at Altona five years ago. With his wife and eight-year-old daughter, Betty, he lives in Bracken Grove, Altona.

He first stood for council and was successful in the 1959 elections. Last year he was re-elected unopposed.

He takes a keen interest in A.L.P. activities in Altona and elsewhere. At the last State elections he was the pre-selected A.L.P. candidate for the Southern Province. It was, however, discovered that the Constitution specified five years naturalisation before standing for Parliament—the Act was amended at the next session.

At present his mother is visiting him from Holland and with his wife and daughter she witnessed his election as president.

He, as president, would be dependent on the support of the whole council so that any decisions made by him would have their implicit support. He wished also to receive the full co-operation of all the people and organisations in the municipality.

Cr. den Dulk noted several specific items on which he would like to see progress during his term of office—A favourable report by the Parliament-

STATE BANK LOAN TO ALTONA SHIRE

Private street construction within the Shire of Altona will be speeded up following the granting of a £25,000 loan for that purpose by the State Savings Bank of Victoria.

In making this announcement, Mr. E. G. Jemmeson, manager of the Bank's Altona branch, said the loan would be repayable over a period of 10 years.

Mr. Jemmeson said the bank was well aware of the difficulties facing local government in expanding areas, and was anxious to assist such bodies as much as possible.

The bank was proud of the fact that it currently had over £121,000,000 on loan to public and municipal authorities. This was a wonderful contribution to Victoria's progress and was unequalled by any other lending institution in Victoria.

Cr. G. den Dulk, shire president, says that this loan displays the bank's confidence in Altona. This is the second loan of £25,000 from the State Savings Bank within a few

SPECIAL SERVICE FOR RATEPAYERS

Altona Shire Councilors, in conjunction with the Altona Branch of the Australian Labor Party, is inaugurating a special service for ratepayers.

Ratepayers will now be able to discuss their council problems directly with councilors. An office in the A.L.P. rooms in the old shire offices, Queen Street, Altona, will be open each Saturday morning from 10 a.m. to 11 a.m. commencing on September 7. It is emphasised that the service will be entirely non-political.

The shire president, Cr. G. den Dulk, and the Board of Works Commissioner, Cr. J. J. Ginifer, have indicated they both will be available every Saturday morning. Other councilors will attend when they are free. All residents are welcome to attend.

It is felt that such discussions will be of mutual benefit and will lead to the clarifying and solution of many difficulties.

If the inquiry or complaint needs further consideration it will be entered in a log book. The items entered will be dealt with by a full meeting of council.

It is hoped that this service,

which councilors believe is unique, will be fully utilized by ratepayers—many of whom have been diffident about calling on councilors at their private address.

LOCAL HOME IN "PLAN OF THE YEAR" BOOK

Featured in the next "Home Plan of the Year" book will be the new home of Mr. and Mrs. Bob Edwards, 73 Millers Road, Altona. It was one of the first houses occupied in the Noordenne Estate.

One of the many features of the house are the large windows, particularly in the lounge room where the end wall is completely glass and continues around both corners. With the draw curtains open, the whole house is a blaze of bright daylight.

The fully tiled kitchen not only has its electric range but Mrs. Edwards insisted on having a one fire wood stove also. The attractive dinette end of the kitchen overlooks Millers Road and catches all the

morning sun from the east.

Mrs. Edwards made all the curtains and loose covers in the spare bedroom and her artistic talent is evident from the attractive ornaments contrived from driftwood. Included among these is a fruit bowl and a large indoor garden. Mrs. Edwards is always on-the lookout for unusual decorative pieces for her home. She has some very attractive ornaments.

Both Mr. and Mrs. Edwards are keen gardeners and although they have only been in the home three months, the garden is already laid out and a cacti garden arranged. Many of the ornaments in the garden were made by Mr. Edwards.

Now they have plans for improving the patio area at the rear of the house, but as Mrs. Edwards said, "These things take time to do."

Opposition Leader Impressed by Refinery

Mr. Len Snook, top operator, describes control instruments to Mr. Stoneham. Looking on are Mr. Laurie Rhodes, process supervisor, and Mr. P. Snidgers, boardman.

"This refinery is a great achievement," said Mr. Clive P. Stoneham, M.L.A., Leader of the Opposition when he visited the £26,000,000 Petroleum Refineries (Australia) Pty. Ltd. plant at Altona last week (Wednesday, August 28).

Mr. Stoneham had just completed a two-hour tour of the refinery and had inspected the process control room—nerve centre of the refinery—and the boilerhouse. He congratulated management, staff and employees on the efficiency of such a complex production plant.

A guest of Mr. E. Angus Jones, chairman of PRA, and other senior company executives, Mr. Stoneham had seen and heard how crude oil was refined to produce a wide range of products for industrial, commercial and domestic use.

He told PRA executives that he was impressed by the im-

mense detail of planning required to bring the refinery into operation, and displayed a keen interest in the installations and processing procedures.

The value of the planning is reflected in the pleasant functional layout of the plant, and the working conditions appear ideal.

Congratulations...

Cr. G. den Dulk, who was elected President of Altona Shire last Thursday night, has received a wealth of congratulatory telegrams and letters from Parliamentary and other leaders.

The first telegram received came from the Hon. J. Galbally and the second from the Hon. C. P. Stoneham, Leader of the Opposition in State Parliament. The Hon. R. T. Pollard, M.P. and Mr. G. R. Crick, M.L.A., have also forwarded letters of congratulations together with apologies for inability to attend the Presidential Social as they are engaged on Parliamentary duties at the time. Senators Hendrickson and Sandford have also tendered apologies for inability to attend the Presidential Social.

Mr. L. Floyd, M.L.A. for Williamstown, has also sent

a letter of congratulations.

One amusing telegram was received from a councillor at Coburg and the telegram read, "Congratulation to the Swamp from Bluestone College." Whenever Cr. den Dulk visits the Coburg area, councillors in that area always ask him how the Swamp is going at Altona—hence the telegram from folk who evidently live near Pentridge.

Cr. den Dulk has asked the "Star" to convey his appreciative thanks to all folk who have phoned, written, or sent telegrams of congratulations on his election to the office of Shire President.

Allowance...

The president's allowance was fixed at £750 (the same as last year) plus a contingency allowance of £1000 to cover costs in connection with opening celebrations of the civic offices project and similar matters not specifically covered in the president's allowance.

The next meeting which will be the first ordinary meeting to be conducted by Cr. den Dulk, will be the last meeting held in the Elderly Citizens' Centre at 2 Sargood Street, which has served as the council's meeting place

for the last 18 months.

The council at its meetings thereafter will return to the old council chamber in the municipal offices at 128 Queen Street until the new council chamber in Civic Parade is completed.

FATAL ACCIDENT

Mr. and Mrs. Bill Monkhouse, of Civic Parade, Altona, received tragic news at the weekend.

Their elder son, aged 20, was involved in a car accident and died in the Albury Hospital last Sunday.

It is believed he was on his way from Albury to visit his parents.

Members of the Altona Bowling Club desire to extend their deepest sympathy to Bill and Jess Monkhouse.

EDITORIAL

The First Citizen

After a year of service Cr. A. W. Bond has stepped down from his office. As president of the Shire of Altona he has fulfilled his duties in a fitting manner. He held a position of great honour and he proved himself worthy.

The duties of the president are arduous and responsible. The holder of that position is in no sense a figurehead. An active and positive control of council and of meetings, the carrying out of administrative duties and at all times the upholding of the honour of the Shire and his office are but the more obvious of his activities.

We should at all times magnify the position of President of the Shire—for he represents Altona.

At one time during the year the president unfortunately felt it necessary to suggest that certain organisations were unmindful of this. We commended his remarks.

In Cr. Bond it was possible to honour both the office and its incumbent.

Cr. den Dulk has been elected to succeed Cr. Bond.

We feel with confidence that he will make a worthy successor. Cr. den Dulk has identified himself with the land of his adoption in no uncertain manner. He comes to his office with the knowledge that many citizens of Altona appreciate his active and wide interests in Altona and the larger community.

Oldfield Found Guilty

The independent tribunal of the Werribee Football League met last night to hear charges arising from the Werribee South v. Newport match played last Saturday, when B. Oldfield of Werribee South was reported for allegedly deliberately striking R. Martyn of Newport in the face.

As a result Oldfield was suspended for four playing matches of his club.

THE VERSATILE HOMESTEAD

The building known as the homestead in Logan Reserve at Altona has had a checkered career. The shire secretary (Mr. J. Waters) will no doubt be asking the Historical Society of Altona to prepare a dossier on the building, but meantime his notes show evidence which has been gleaned from the Certificate of Title of the land and the use to which the building has been placed by the Shire of Werribee and in the last six years by the Shire of Altona.

The title to the land shows that it was acquired by Messrs. Cuming Smith & Co. Pty. Ltd. of 65 William Street, Melbourne, on August 19, 1920. It was later transferred to Commonwealth Fertilizers and Chemicals Ltd. of 65 William Street on October 30, 1929, and then to the President, Councillors and Rate payers of the Shire of Werribee on August 18, 1955.

The building then served as the headquarters for the assistant engineer of the Shire of Werribee who was the engineer, more or less, in charge of all works in the Altona Riding and it also served as the collecting agency for rates. The rate collector of Werribee attended at Altona from time to time for this purpose.

The Shire of Altona took possession of the building when it was created. The first meeting of Altona Shire Council took place therein on June 10, 1957, and infant welfare service had been conducted in one of the rooms adjacent to the park for years before then and served as infant welfare centre for Altona for the following year until the new centre was opened in David Street.

The whole of the building was then utilised as shire office—the north west wing being used for rate, the north east wing for health and the building inspection, the south east wing for engineers and the south west wing for the secretarial section.

Some 18 months ago the council chamber became the accounts office when machine accounting was commenced and the deputy shire secretary was appointed. Tuesday, July 30, 1963, was the date when all council administration was moved out of the building and into the civic offices in Civic Parade.

The building has not ceased duty yet. The council hopes to utilise it as a library building but in the meantime the engineer's office is now the headquarters of the Altona Historical Society, the health building inspection is the headquarters of Altona Branch of the A.L.P., the president's room or hall-way is serving as a craft room for the elderly citizens clubroom, whilst alterations are underway at the clubroom building across the park. The secretary's office is also being utilised by the elderly citizens club as a store room.

Later on this month the health department X-ray service will visit Altona and its X-ray examinations will take place in the rates office.

DRIVER'S LICENCE REFUSED

A 20-year-old youth's application to Williamstown Court for restoration of his driver's licence was refused by the Magistrate yesterday. William C. Verlander, apprentice plumber, of Davies Street, Altona, made the application.

His licence was cancelled in July, 1962, following a charge of driving a motor car while under the influence of intoxicating liquor.

Verlander told the Court he needed the licence for his work as at present his boss had to run him around. The Magistrate suggested it was, in any case, an employer's responsibility to transport the workers around. Verlander said it would make it a lot easier if he could drive himself. The Magistrate said easiness did not matter.

Verlander said he now did a fair bit of weekend work. The Magistrate asked him was he working as a licensed plumber at weekends while still only an apprentice. Verlander said no, he worked at odd jobs.

Asked if he was still drinking Verlander replied not for the last three to four months. Since his conviction last year only on special occasions such as Christmas or a party. He said he was trying to give it away. The Magistrate said Verlander did not seem sure if he had given drink away. Verlander said he was fairly sure.

Police then disclosed that on March 23, 1963, Verlander had been found drunk and disorderly, charged and convicted.

The Magistrate then refused to grant the application.

during the summer months on Ransom Reserve by the Altona Working Men's Club. Council has sanctioned this stall.

The council has granted the Altona Yacht Club permission to construct a race control platform and office at the sea end of the club building on Cresser Reserve.

The 3rd Altona Scouts inquired from the council if land was available for the erection of a scout hall. Council have advised the troop that there is no land available at present but the matter will be reviewed in 12 months upon a further application being made.

A carnival will be conducted in Logan Reserve from December 16 to January 6, 1964. Council have given the Altona Youth Club permission to conduct the carnival.

A stall for the sale of sweets, &c., will be conducted

UNREGISTERED FOOD SHOP

Sidney James Lee, of 62 Second Avenue, Altona North, was fined £2 by Williamstown Court for not registering his milk bar—mixed business with the Altona Shire Council.

Mr. J. Mellors, health inspector for the Shire of Altona, instituted proceedings

against Lee. Mr. Mellors said he visited the shop on August 16 and spoke to the defendant. The shop was opened for business on August 15 and is still open. Mr. Mellors told the Court that under regulations the shop was not allowed to open without first registering with the council. Lee was found guilty of the offence and fined £2.

PRESIDENTIAL SOCIAL EVENING

(Roper's Studios—314-5360.)
Flowers being presented by council employees to the mother, wife and daughter of the newly elected Shire President at the Presidential Social Evening. Pictured from left to right are Carol Hayes, Mrs. den Dulk Sen., Cr. G. den Dulk, President, Mrs. G. den Dulk, Mrs. Dorothy Herbert, Betty den Dulk and Carol Ward.

Following the election of Cr. G. den Dulk as Shire President last Thursday, a Presidential Social evening was held in the Altona Youth Hall.

The hall was decorated with shrubs placed along the back wall of the hall and bowls of daffodils, heath and ranunculus placed on the supper tables.

Cr. den Dulk said he felt very proud of the fact that although he has only been in Australia for a few years he has been called to civic office.

As well as having his wife and eight-year-old daughter him he said he was very pleased to have his mother visiting him from Holland at the time when he was being installed as President of the Shire.

He thanked his wife for her support over the last four years, without which he said he could not have stayed in office. He is looking forward to her much needed support for the coming year.

The ladies auxiliary of the Altona Youth Club catered for the supper.

Mrs. den Dulk wore an embroidered nylon over taffeta green frock and grey fur stole. Mrs. den Dulk Sen. was dressed in a deep mauve velvet frock with pale mauve stole.

Among the councillors wives were Mrs. Ginfier wearing a slim fitting beige nylon lace frock trimmed with nylon georgette and a grey fur stole. Mrs. Cooper wore a full skirted faille frock in beige and carried a fur stole. Mrs. Lee wore a dark print frock with full skirt and around her shoulders she draped a black stole over printed in gold which showed an Easter influence.

Mrs. Waters, the shire secretary's wife, wore a royal blue frock highlighted by blue spotted white trim.

Among the guests were a

BIRTH

Mr. and Mrs. Peter Hayes are thrilled with the arrival of their first child, a daughter, Ruth.

Mrs. Hayes is the former Barbara Edwards, daughter of Mr. and Mrs. H. Edwards, of Romawi Street, Altona.

Locals Return From World Tour

Fabulous was how Mrs. Nita Kearsley described the dream holiday she and her husband, Doug Kearsley, embarked on six months ago.

They have just returned to their home in Seves Street, Altona, from a round-the-world tour.

Leaving Melbourne by ship, the travellers spent six weeks at sea, travelling via Sydney, Auckland, Singapore, Colombo through the Suez Canal and Mediterranean Sea to Southampton, England. One of the many places they visited during this voyage was Cairo, which Mrs. Kearsley described as an incredible city, well worth visiting.

Two weeks in London, then on through England, Wales, Scotland and Ireland.

Holland, Norway, Sweden, Denmark, France, Austria, Italy, and Germany are but some of the countries they visited in Europe. East and West Berlin were on the itin-

ery, but Mrs. Kearney found the low standard of living and the poor state of the people in East Berlin depressing. So much so that they decided not to visit Russia.

When the recent earthquake hit and destroyed a town in Yugoslavia, Mr. and Mrs. Kearsley felt it was a little too close to them as, at the time of the tremor, they were in the Catacombs of Rome. The quake was felt throughout Italy.

To complete their round the world trip they flew home via America where they had a three week stop-over. New York, Los Angeles, Niagra Falls and all the places we read about they managed to visit.

On to Honolulu and then it was to be next stop Tokyo, but due to a mistake in their plane bookings they flew directly home.

But the whole trip has made them more keen to travel again and so Tokyo is the target for their next holiday.

They brought home over 1500 slides taken during the trip, and of one thing Mrs. Kearsley is certain "there is no place like home."

ENGAGEMENT

Mr. and Mrs. R. Bottomley, of High Street, Seaholme, have much pleasure in announcing the engagement of their only daughter, Carol Anne, to Geoffrey Gordon, third son of Mr. and Mrs. G. Ewen, of Acacia Avenue, Seaholme.

Geoffrey and Carol have both been members of the Altona Junior Football Club for the past five years. Geoff is captain of the team and Carol is social secretary.

ALTONA LADIES BOWLING CLUB

Vera Bush is on the sick list. Members feel she must be ill as it is hard to keep such a keen player away from the club.

Lena Cox is still in hospital recuperating from her recent operation.

Members wish to extend their heartfelt sympathy to Jess and Bill Monkhouse on the tragic loss of their elder son.

YOUNG WIVES

St. Eanswythe's Young Wives Group will be holding their Birthday Party on Tuesday evening of next week, September 10.

A representative of TAA will be coming to give a talk on Papua and New Guinea, illustrated with coloured slides.

Ladies from other organisations in Altona have been invited, and everyone interested will be welcome.

ALTONA HOSPITAL

The annual meeting of the Altona Hospital was held on Thursday, August 29.

The retiring members of the committee were re-elected. A full report will appear in a later issue of the "Star."

PRESBYTERIAN CHURCH

The shire president, Cr. G. den Dulk, whilst worshipping with his own congregation after his election as shire president read the New Testament Lesson at the 9.30 a.m. service in the Presbyterian Church last Sunday.

During the service prayers were offered for local government officers, and all who give their time and energy in caring for the common good; and for the removal of all disputes and bitterness in industrial disputes.

VISITORS

Recent visitors to Altona were Mr. and Mrs. Bert Emery.

Mr. Emery will be remembered as a former councillor representing the Altona Riding when it was a part of the Werribee Shire.

They were down from their Queensland home visiting relatives in Altona.

Mr. Emery was very impressed with the progress made by Altona over the last few years.

Newport No Match For South

Werribee South earned the double chance in the finals by completely outclassing a weakened Newport in the main game at Chirnside Park on Saturday.

Werribee South v. Newport					
1st Qr.	3	1	19	2	2
2nd Qr.	7	2	44	3	3
3rd Qr.	9	5	59	3	21
FINAL	10	10	70	4	5

Both defences played a major role in this game from the outset and it was evident that the first defence to crack was going to be in serious trouble.

Although Newport's half back line was solid they were fast to wilt and South took the opportunity and sent the ball forward repeatedly. Ken Munyard, with six goals for the day, showed a heateening return to top form and much depends on the continuance of this form in the finals.

Ken Withers and "Tich" Horner never gave up in defence for Newport and it was not their fault that their side could only manage four goals. They lack co-ordination up forward and it is a pity that Tom Jenkins is not in the side to stabilise this division. Newport at this stage look as if they are on the down grade and their unlucky run of injuries must be the blame for this.

Experiments were the or-

der of the day and both sides gained some drive from these changes. Newport had Brian Johnston in the centre and considering it was his initiation to that position he did quite well against South's spectacular Len Allison. South used Ron Macknamara at centre half back as a substitute for the injured Robert Dove and this move was more than successful. Macknamara showed signs of having sticky fingers as he repeatedly marked many of Newport's attacks.

Incidents were few and far between, but one that caught the umpire's attention resulted in South's Brian Oldfield being reported. He has been charged with striking Newport utility player "Skinny" Martin in the last quarter.

The bus leaves the post office at Altona at 1.30 p.m. on Sunday for Chirnside Park for the second semi-final.

South Take Junior Semi Final

Under perfect conditions, and before a big crowd, Werribee South, with far too much skill and determination, thrashed Williamstown C.Y.M.S. in the junior first semi-final at Chirnside Park, Werribee, last Sunday.

South v. C.Y.M.S.					
1st Quarter	3	2	20	1	0
2nd Quarter	7	4	46	2	2
3rd Quarter	10	5	65	3	3
FINAL	15	9	99	4	4

Before the game commenced, both sides formed a guard of honour for Williamstown ruckman Steve Rieger, winner of the "Mayall" trophy for the Junior Best and Fairest.

1st QUARTER

Both sides started brilliantly as South's Bob Edwards scored a goal in the first minutes, and Williamstown, through Rieger, replied. Although the pattern seemed set to be a scramble, South, through the constant attacks of centreman Don Trainor, maintained the ball up forward.

Williamstown's Peter Zamykal and Tony Gulliver were defending grandly, but midway through the first term Bobby Edwards added his second goal. South were wasting many opportunities and struggled for supremacy until ruckman John Tyquin goaled. At the first change South were in a good position and it was evident that CYMS would have to find a lot more if they were going to be in the game at the finish.

2nd QUARTER

Rieger goaled immediately into the second term for Williamstown who were attacking constantly.

However, they were having difficulty in penetrating the solid South defence headed by Ian McNaughton and Les Caldwell.

Williamstown's Robert Camp-

bell had taken over Trainor's role and was playing brilliantly in a side that adapted itself to the umpire's interpretations, but fell down up forward.

South ran riot in the latter part of the second quarter and goals to Bert Allison, Mike Phelan and two to Bobby Edwards saw them five goals to the good at half-time.

3rd QUARTER

South's centre half forward Ken Parker was now playing well and became the focal point of many South attacks.

With Laurie Brinkman asserting his superiority, South's half forward line became the springboard of all their onsets, but they found it hard to break the Town defence with Greg Wheatley and Tony Gulliver outstanding. A clever goal by Bert Allison, followed by a snap shot by Ricky Cannell saw South in an invincible position. Williamstown lacked their customary purpose, mainly due to the uninspiring display of their over-awed captain Steve Rieger and the classic display of Ian McNaughton and Arnold Macknamara.

The first touch of fire crept into the game when South's John Tyquin was accidentally punched, but the umpire soon quietened the volatile tempers. Three quarter time saw South seven goals up and in an unassailable position.

LAST QUARTER

The last quarter was a goal kicking spree for South, due to the dominance of their rucks led by Don Stuart and Mike Phelan.

Tony Gulliver was portraying the determination needed by his team mates as he repelled attack after attack, but this, plus Robert Campbell's and Steve Rieger's belated attempts, held no fears to South who added goals through Ken Parker and two to Bobby Edwards.

Arnold Macknamara's efforts were rewarded when he scored a goal after a brilliant display of wing play throughout the day. Both sides ended the day with a goal, but South's ability was far too much for CYMS and their form was good enough to worry the teams above them in the remainder of the finals to come.

BEST PLAYERS

3: BOBBY EDWARDS (Werribee South) for an inspiring and brilliant display at full forward. He made position well and provided an avenue of attack for all his side's attacks.

2: Robert Campbell (Williamstown C.Y.M.S.) for a creative and relentless display against mammoth odds.

1: Ian McNaughton (Werribee South) for a classical display of centre half back play.

GOALS

WERRIBEE SOUTH: Bob Edwards 6, Allison 2, Parker 2, Tyquin 1, Phelan 1, Cannell 1, Christo 1, and Macknamara 1.

WILLIAMSTOWN C.Y.M.S. Rieger 2, Kerry 1, Reidy 1.

Centrals Surprise I.N.F.

Enthusiasm enabled Central Altona to extend top team I.N.F. when they clashed at the J. T. Gray Reserve last Saturday.

Centrals v. I.N.F.					
1st Qr.	4	1	25	2	5
2nd Qr.	5	4	34	5	11
3rd Qr.	9	6	60	8	14
FINAL	10	7	67	11	19

With a good first and third quarter, Central were able to keep within reasonable distance of a surprised INF for most of the game.

They played good football and on Saturday's form it will not be long before this young side is a force to be reckoned with in the senior competition.

Keith Murrell was again tireless in his ruck roving role and is certainly an inspiration to his team mates with his solid play on game.

INF did not play at their

best and could have been in trouble had it not been for the efforts of Ron Carroll in defence and the efforts of Toby Riley and Henry Smith around the packs. They do not doubt, feel the effects of the hard game the previous week and their form on Saturday can be disregarded when making calculations for the finals.

Best.—I.N.F.: Carroll, Toby Riley, B. Smith, H. Smith, J. Townsing. CENTRAL ALT.: K. Murrell, Trevean, Arnold, Barnes, J. Murrell.

Goals.—I.N.F.: Townsing 4, Riley 3, Pante 2, B. Smith 1, H. Smith 1. CENTRAL ALT.: Arnold 3, Main 5, Lowden 1, K. Murrell 1.

ROVERS EXTEND FARM

Metro. Farm returned to the winning list with a rather easy victory over Williamstown Rovers at Newport on Saturday.

Rovers v. Farm					
1st Qr.	1	0	6	2	3
2nd Qr.	4	0	24	4	8
3rd Qr.	4	3	27	10	10
FINAL	7	10	57	12	12

Rovers pressed Farm early mainly because of the latter's inaccurate kicking for goal.

However, at half time, Farm looked the better side, even though they only held an eight point lead. After the interval they really turned it on and added six goals in a dashing third quarter to have a tight grip on the game.

Rovers fought hard to bridge the gap in the last term, but fell down in attack and ended the day five goals down.

Stars of the game were Farm's £100 award leader, Johnny Martin, who had a field day in kicking six goals, and Rovers' reliable ruckman Ron Dingey, who was outstanding whether in the ruck or around the ground.

Best.—METRO. FARM: J. Martin, D. Cooney, Gillett, E. Pengelly, Whelan. ROVERS: Dingey, Pitt, Chamings, E. Spence, Davies.

Goals.—METRO. FARM: J. Martin 6, Shephard 2, Williamson 1, D. Cooney 1, Pengelly 1, Bryan 1. ROVERS: Eweedy 2, Davies 1, Dingey 1, Pitt 1, Wilkinson 1, Woodward 1.

Centrals and Altona to Clash in Junior Semi this Sunday

In what should prove to be the match of the year, Central Altona will meet their neighbouring rivals Altona in the junior second semi-final at Chirnside Park, Werribee, on Sunday. A big crowd is expected.

These teams have met twice during the season and the honours are evenly divided. Centrals rely mainly on their strength to outbump their opposition but on this occasion these opportunities are likely to be limited as the large Chirnside Oval does not lend to crowded play.

If Altona can keep the game open they can worry the mighty (?) Centrals. The return of "Darby" Munro and the brilliant form of full forward Jimmy Page give Altona's attack a touch of class, and if the defenders can

quieten Central's spasmodic forwards as Werribee did these creative forwards can kick their side on to victory.

Centrals are sure to be out to prove their superiority and only need the game to be crowded or a wet day to do this. "Baldy" Szatowski is in destructive form for them and his co-operation with Mick Hill could decide the outcome of this interesting clash.

However, on paper, it's Altona—because of the bigger ground and their greater pace and team work.

Two Battle For £100

Metro. Farm captain and coach Johnny Martin is still the leader in the race for the "Fisher Motors £100 Award," but is now being pressed by Central Altona ruck-rover Keith Murrell. These players are the only ones who can possible win the award.

Details of progress voting are as follows—

ALTONA TROUNCE LAVERTON

In a game resembling a picnic Altona defeated Laverton comfortably at the Laverton Oval on Saturday by 159 points.

Laverton v. Altona					
1st Qr.	0	0	0	6	7
2nd Qr.	1	0	6	13	9
3rd Qr.	1	1	7	21	14
FINAL	2	2	14	26	17

Altona opened with a bang by kicking two goals in the first few minutes.

They maintained this pressure for most of the day, but occasionally lapsed into happy-go-lucky style of football which would not be of any benefit to them from a finals point of view.

They had many dominating players but their rovers would have been the most outstanding of these. Noel Rohleder had a great day having 33 kicks and kicking four goals, whilst his co-rover Bruno Aquilante, was everywhere and finished up with six goals.

Full forward Bill Rowson went home with a very sore instep as a result of his effort

in kicking 11 goals 6 behinds. Laverton offered no resistance and were never in the hunt.

Alan Chandler was inspiring in the centre, but received little assistance from his side, although the form of Johnny Pyne was encouraging as he has been playing with the juniors for the last few seasons and could develop into a handy player. Juniors like this lad appear Laverton's only hope of building into a reasonable side.

Best.—ALTONA: Rohleder, Aquilante, G. Brennan, P. Brennan, W. Wooding. LAVERTON: Green, Condon, Murphy, Chandler, Pyne.

Goals.—ALTONA: Rowson 11, Aquilante 6, Rohleder 4, Stephenson 2, P. Brennan 1, Address 1, Wooding 1. LAVERTON: Chandler 1, Sewell 1.

Last Round On Sat.

As they will be semi-finalists on Saturday week, NEWPORT should have a good hit out against METRO. FARM at Soldiers Reserve in the main game in the Werribee League on Saturday.

On form it appears a foregone conclusion that Newport will win as Farm have been performing in a mediocre fashion against weaker opposition, whereas Newport have not been disgraced in their last few encounters.

Their injuries have hit them very hard at the wrong end of the season. However, up against Farm they should not be missed so badly. On the other hand, without any incentive, Newport may play relaxed football and if they do they could find themselves in trouble.

WERRIBEE SOUTH look too powerful for WILLIAMSTOWN ROVERS in their clash at Newport.

South will be idle for a week after this match and are not likely to take it too easily. Rovers have not the class or

the players to cause any worry to South and the result should never be in doubt.

LAVERTON have had a very disappointing season and it doesn't look as if they can end the season on a high note.

They meet top team I.N.F. and the latter's all round strength and ability should prove too big a hurdle for Laverton to clear.

CENTRAL ALTONA went remarkable well against I.N.F. last week and could prove a headache to ALTONA, who, on form however, look to be the winners.

Altona cannot afford to take it too easily as they could receive a severe jolt to their confidence with a semi-final to participate in the following week.

Werribee - A Borough?

Central Riding Councillors Smith and Hudson have been inquiring into the economics of forming Central Riding, which includes the township of Werribee, into a Borough.

Cr. Hudson indicated the break even point is all important—that is when it costs as much to belong to the Shire as to break away and form a Borough. At that stage a Borough is desirable as the handling of ratepayers affairs could be more efficiently carried out at less cost. Several Western District towns smaller than Werribee have formed Boroughs.

When it costs as much to belong to the Shire as it would if Werribee broke away and became a Borough, then this would be the time to make a move, was the opinion expressed by Cr. Hudson during a discussion on the formation of a Borough at the last Werribee Council meeting.

Cr. Hudson said, as yet, there had been no move to form a Borough. He said the names of Cr. Smith and himself had been bandied around at length in this matter. He said all they had done was make inquiries, the matter rests entirely with the ratepayers, not the councillors, and must be a ratepayers decision.

Cr. Hudson said, as far as the Central Riding Councillors are concerned, the break even point between a Borough and a Shire is the important consideration.

He said the break even point is getting close, how close he does not know, but it is up to Central Riding Councillors to find out and it is their duty as representatives of the ratepayers to supply the details.

Cr. Hudson said all that is happening now is Central Riding Councillors are making inquiries and they will only be in favour of a Borough if it benefits the ratepayers of Werribee.

Cr. Hudson stated he was quite prepared at any time to personally answer any questions on the subject. When he feels he has sufficient figures on finance and other

details he will willingly attend a public meeting for the purpose of relating his knowledge to the ratepayers.

After presenting the details to the ratepayers Cr. Hudson said he would then leave the formation of a Borough to the ratepayers and he would not take part.

Cr. Hudson said he considered it his obligation to inform the ratepayers when the breaking point is reached.

Cr. Smith endorsed Cr. Hudson's remarks and said the idea of forming a Borough was brought about by the voting of loan moneys. He said Central Riding was receiving 20 per cent. instead of the 38 per cent. of loan money they were entitled to receive.

The statement that formation of a Borough would mean increased rates was unfounded, said Cr. Smith. He would be absolutely against the change unless it was of benefit to ratepayers.

Cr. Earl asked that all information supplied to Central Riding Councillors be given to all councillors. He said they are entitled to the information to enable them to examine the position and if a special meeting is required it can be arranged.

Cr. Davis, shire president, ended the discussion by stating that ratepayers and councillors had certain privileges regarding inspection of council books and any further information required from the shire secretary or engineer will only be given under the direction of the council.

No Free Dental Care Yet

Relating to inquiries by the Altona Shire Council for dental services in this shire, following are extracts from the reply received from the Department of Health—

"At present, it is impossible for the School Dental Service to provide facilities for the treatment of school children in the Altona Shire.

"As regards Pre-School Dental Clinics, there is provision for the establishment and maintenance of these. It will be noted that a grant on a £1 for £1 basis up to maximum of £300 is allowed towards the cost of the approved equipment.

"A maintenance subsidy is also available on the basis of £186 per annum for each half-day session per week on which the clinic is operated throughout the year. This means that if the clinic is operated full time a subsidy of £1860 per annum is payable; half time £930 per annum, etc.

"It is considered within the Department that your shire might have some difficulty in obtaining a dentist as there is a shortage now, and this is likely to continue for several years. Some councils have overcome this problem by arranging with the Dental Hospital for supply of staff for their pre-school clinics.

"With regard to the matter raised in the second paragraph of your letter relating to the availability and suitability of the four infant welfare centres within your Shire and the possible utilisation of these for a dentay service, this matter has been discussed with the Director of Maternal, Infant and Pre-School Welfare. She considers that at least two of these centres could be adapted to provide room for a dental chair without a great deal of modification. In the other two centres the adaptation would be more difficult, involving more expenditure.

"If it is decided to proceed with the project, your council is responsible for providing suitable rooms for a dental surgery and waiting rooms for children and parents.

LIFESAVING CLUB NEWS

DO YOU WANT TO BECOME A LIFESAVER?

Perhaps the most important question to consider is why do you want to become a lifesaver?

Is it to strut along the beach and gain glamour? Is it to play table tennis and other games? Is it because the change rooms are more convenient than the public ones?

Is it for every other reason but the sincere desire to learn how to be useful in the water and gain the knowledge of lifesaving by taking awards?

If that is so then do not bother. The boys and girls in the clubs work and train hard. Many times they forego the glamour to stay and patrol the beach. They give their spare time to gaining more knowledge and becoming proficient lifesavers.

They abide by the discipline of the club and the officials of the society and work to maintain their club and equipment.

In becoming a lifesaver you become one of a team and in competing and working with your club, in giving service to others, you will acquire a sense of physical well-being and mental alertness. You will gain considerable self satisfaction by the knowledge that your leisure hours are usefully spent.

So if you want to become a lifesaver act now, ask any of the club officers who are at the club house on Monday, Wednesday and Thursday nights at 7.30 p.m. to advise you.

CROSS COUNTRY RUN: This contest was open to all metropolitan technical schools, and 47 schools entered teams in two divisions. In the under 14 division the Altona North Technical team gained fifth place. John Marcinkiewicz came second in a field of about 150. Ron Shepherd came 32nd and Shane Cronin came 45th. In the over 14 division the local team did not fare well as a team, but Terry Phelan performed admirably to gain fourth place in a field of 150 odd.

ALTONA SPASTIC AID

During the month of September a huge Christmas stocking, valued at £200 will be on show in Tye's furniture showrooms in Pier Street, Altona.

This is one of the seven prizes in the annual raffle held each year to raise money to assist the spastic children's centre at Seddon.

Tickets may be obtained from Tye's or the secretary, 9 Upton Street, Altona.

Friday, September 6, is Forget-me-Not Day throughout Victoria. The sale of these flowers and other emblems are well on the way in our district, but more can be obtained from ticket sellers at Tye's.

The next meeting will be held on Tuesday, September 10, at 9 Upton Street, Altona. Any ladies interested will be welcome.

It is pleasing to hear that Mrs. H. Woodyard is making good progress after her stay in hospital.

ALTONA PEDAL CLUB NEWS

The annual meeting of the Altona Pedal Club was held on Sunday, September 1.

The following office-bearers were elected—

President: Mr. W. Winn; Vice Presidents: Mr. A. Webster and Mr. Sullivan; Secretary: Mr. A. Culbert, 77 Maidstone Street; Treasurer: Mr. A. Stiles; Co-Organisers: Mr. Archer and Mr. Sullivan; Coach: Mr. A. Stiles; Assistant Coach: Mrs. Martin; Senior Captains: Boys, B. Winn; Girls, Cris Stiles.

The committee of the club decided to form a ladies auxiliary to be organised by Mrs. Culbert.

The club delivered Father's Day parcels provided by the Father's Day Committee.

The next Rally will be the McLeod Rally to held at Heidelberg on September 15. All members wishing to attend this Rally are to attend training on Tuesday or Thursday nights at 4 p.m. or Sunday morning at 9.30 a.m.

Any young people wishing to join the club should contact Mr. Alan Culbert or the organisers.

SILVER PEDAL RESULTS
Silver Pedal Results this week are 64, 125, 106.

GUIDES AND BROWNIES

1st ALTONA COMPANY

A patrol leader investiture was held by candle-light last Wednesday night.

It was held for Elizabeth Wright, P.L. and Gillian Lewis 2nd P.L. of Koala; Gwyneth Pryce, P.L. and Jaqueline Nobel, 2nd P.L. of Rosella; Anne Fairway, P.L. and Lois Cruttenden, 2nd P.L. of Kingfisher; Susan Armstrong, P.L., and Christeen Clough, 2nd P.L. of Wattle; Ingrid Clough P.L. and Catherine Ogilvie, 2nd P.L. of Platypus; Lynette Hansen, P.L. and Joy Rosling, 2nd P.L. of Rose.

2nd Class Badge.—Gillian Lewis.

STREET STALL

The Local Association is holding a street stall on Saturday, September 7, in Pier St.

Cakes, sweets, sewing, plants etc., would be appreciated, and may be left at Mrs. Beales 24A Bent Street, or Mrs. Hut- ton, 263 Queen Street.

L.A. MEETING

The next Local Association meeting will be on September 11, at 7.30 p.m. at 263 Queen Street.

ALTONA HISTORICAL SOCIETY

The annual meeting of the Altona Historical Society elected the following office-bearers for the ensuing year—

President: Mr. B. Primali; Senior Vice President: Mr. H. Weaver; Junior Vice President: Mrs. H. Weaver; Treasurer: Mr. G. Stirling; Librarian: Mrs. V. Hearn; Honorary Secretary: Cr. V. L. Hearn; Assistant Secretary: Mrs. M. Allen; Auditor: Mr. A. Forester.

It was regretted that Cr. A. W. Bond, who called the first meeting to establish the society and elected as its first president, did not seek re-election. However, he was elected a trustee of the society together with Messrs. H. Stuber and J. Eaton.

GO-KART RACING

The Altona Go-Kart Club held an enjoyable afternoon at their Magazine Road Track, on Sunday, September 1.

Visiting clubs included Keilor and Yarra Junction.

One of the club's own up and coming youngsters, Ian McDonald, had his first win in the junior's race. Keep it up Ian.

The special Father's Day race was won by Mr. B. Jamieson.

The club was also pleased to see some of the visitors take trophies home with them.

Competition meetings are held on the first Sunday of every month.

DROVE WITH NO LICENCE

Ian Norris, of 11 Lae Street, West Footscray, was fined £5 for driving a car without being licensed on June 23 in Grieve Highway, Altona.

Constable Keegan said Norris was a passenger in the car when involved in an accident but had driven it previously. He had borrowed it from a friend.

ALTONA TENNIS CLUB NOTES

The Altona Tennis Club Junior Section is now picking up after a comparatively quiet period.

The No. 1 team in the Williamstown District Junior Pennant has done fairly well and are in fifth position on the list, with a slight chance of making the semi-finals.

The team is Kevin Flett (captain), Villy Grdovitch, Kevin Walsh, Maureen Mochon, S. Rose and Christine Harrington.

The No. 2 team, which has varied in its personnel, has gained splendid experience this season, if not winning many matches. Regulars have been Gregory Findlay, W. Kelly, Robert McIntosh, Christine Gunn, Sheila Murphy, Janice Huggins, Emergencies C. Tydens, Tom Mochon, Noel Rafferty, Elvina O'Brien, D. McIntosh and Beverly Walker.

New pupils to recently join the coaching class are Julie Findlay, Lee Butterworth, Helen Shields, J. Winfield, Carol O'Connell and J. Parker.

Original team members G. and E. Blunt and J. Trickey withdrew from competition.

Players are reminded that the Under 16 Williamstown Footscray Saturday morning Summer Pennant will commence in October.

ALTONA PRIMARY SCHOOL MOTHERS' CLUB

The Mothers' Club held a very successful stall at the school on Education Day, making approximately £21.

Of course they would have made more money had they been allowed to keep on selling the shrubs which were intended for the school gardens.

The special effort for the afternoon was a bedroom lamp and this was won by Mrs. J. Rowe, ticket No. C13.

The next money raising event will be a mannequin parade of spring fashions by Fashion Promotions.

This will be held at the school on Friday evening, October 11, at 8 p.m. Tickets are obtainable from the president, Mrs. Cronin, 2A Romawi St., or the secretary, Mrs. Danger, 17 Boyd Street. Ladies, do keep this date in mind.

The next meeting will be a week later because of the school holidays and will be held at the school on Wednesday, September 11 at 1.30 p.m.

PERMITTED FRIEND TO DRIVE WITHOUT LICENCE

Maxwell John McGavin of 60 Nicholson Street, Footscray, was charged that on June 23 at Altona he did permit a person to drive without a licence. He pleaded guilty.

Constable Keegan of Altona said at 4.30 p.m. on June 23 he attended an accident in McBain Street. He spoke to the driver then the defendant. He asked him if it was correct that he permitted a person to drive without a licence.

Defendant thought the driver could get some practice before going for a licence. He was not a passenger in the car but stayed behind. The car was driven about a mile from Grieve Highway to Civic Parade.

McGavin told the Court he thought it was only round the corner where the driver was going to the football match and did not realise it was so far.

He was fined £5.

FOUR BEST KNOWN OPERAS FOR ELIZABETH TRUST 1963 SEASON

A spectacular line up of Australian and overseas singers of fresh and vital outlook has been assembled for The Elizabeth Trust Opera Company's 1963 season.

The company's Melbourne season will be given at the Princess Theatre from Thursday, September 19, to Wednesday, October 16.

Under the musical direction of Wilhelm Loibner from the Vienna State Opera, the company's singers—an Australian soprano (Melbourne born), from successes in British and European opera houses, Viennese soprano, a We- tenor, an Irish baritone and two star quality New Zealanders—will sing four of the best loved works in the operatic repertoire, Beethoven's 'Fidelio,' Puccini's 'Boheme,' Gounod's 'Faust' and Mozart's 'The Marriage of Figaro.'

ALTONA TENNIS

With Saturday players still a month away, players are showing keenness, by attending in force the Sunday social afternoons.

Once again the four courts were in use with players waiting to go on.

This indeed indicates a very good season is ahead.

All intending players must be financial as from Sunday, September 8. This is the notice.

Special effort last Sunday donated by Mrs. Turner, won by Mrs. G. Cronin.

In Clause 5 (a)—Time of Ordinary Meeting—delete "7.30 p.m." and insert "8.00 p.m."

Such By-Law will have force and effect within the precincts of the Shire of Altona. Notice is hereby given that the Special Order making the abovementioned By-Law No. 23 will be submitted for confirmation at the meeting of the Council to be held at 8.00 p.m. on Tuesday, September 10, 1963.

Copies of the proposed By-Law have been deposited at the Municipal Offices, 115 Civic Parade, Altona, and open for inspection free of charge during office hours.

JAMES W. WATERS,
Shire Secretary.

LOAN No. 35—£50,000.

Special Order to be Made. Notice is hereby given that at a meeting on August 13, 1963, the Council resolved—THAT the Council makes a special order to borrow the sum of £50,000 from the Commonwealth Superannuation Board on the credit of the municipal revenues of the President, Councillors and Ratepayers of the said Shire, by grant of a mortgage under the provisions of the Local Government Act.

The maximum rate of interest that may be paid is £5/2/6 per cent. per annum.

The purpose for which the loan is to be applied is construction of private streets £50,000.

The period of the loan shall be 40 years.

The moneys shall be repayable by providing out of the municipal funds approximately £467/3/2 annually for 40 years, to be invested in accordance with the said Act to form a Sinking Fund, and interest be paid half yearly during the currency of the loan. The first payment shall be on the first day of April, 1964.

The period of the loan shall be 40 years and such moneys shall be repayable at the Office of the Commonwealth Superannuation Board or at such other place or places as the Board may from time to time require.

And further, that confirmation of this Order be made in Order of the Day for the Council meeting to be held on September 10, 1963.

JAMES W. WATERS,
Shire Secretary.

OF SPORTS GROUNDS applications are invited from all organisations interested in using any of the Council's sports grounds during the summer period commencing October 1, 1963. Applications to state the ground and specific times required together with all other relevant particulars. Organisations desirous of consideration in the allocation of the Council's grounds during this period should ensure that application is made to the undersigned not later than September 16, 1963.

JAMES W. WATERS,
Shire Secretary.

ALTONA PRIMARY SCHOOL OPEN DAY

On Tuesday, August 20, Altona Primary School held its annual Open Day. It commenced with a welcome to the visitors by the head teacher, Mr. Trevaud.

This was followed by an opening address by Mr. W. H. Hesketh, general manager of Petroleum Refineries (Australia) Pty. Ltd. in which he spoke of the important place industry had in the education of the children of today to be the workers of tomorrow.

Following the singing of the school song, the words of which were written by the infant mistress, Miss H. Ridsdale, the infant school gave a very entertaining display. The children, dressed in gay appropriate costumes, played singing games in the school square such as 10 little golliwogs by Prep. A and German Clap and Hendrikska by Grades 2A and 2B.

Later senior grades demonstrated activities with new physical education equipment such as the gymnastics on the new tumbling mats, which were skillfully executed by a group of children trained by Mrs. L. Maschke.

There then followed inspection of various class activities. In the library parents observed Grade 4 children reading from the Sequential Reading System, and again saw books being used in a research period in Grade 6.

Parent-Teacher interviews continued that night, followed by the performance of Puppets in Song by the infants and the school choir by the senior grades.

Another highlight of the evening was the general science display in Grade 5 which was thoroughly enjoyed by parents as well as the children who took part.

WERRIBEE HOSPITAL

All the office bearers were re-elected for 1963-64. Officers and committee are as follows—

Cunningham, L. Morris, V. Mayall, C. A. Davis, Dr. R. D. Pearson; Government Nominee: W. E. Henderson; Auditor: Mr. H. W. Boyd; Matron: Miss M. E. Gleeson; Manager-Secretary: J. T. Cooney.

Interesting details that appeared in the annual report are as follows—

ACCOMMODATION: Private Beds: 8; Intermediate Beds: 12; Public Beds: 4; Children's Cots: 2; making a total of 26.

In-patients treated for the year were 578, making a daily average of 14.3. The average cost per day was £7/6/10.

The average cost per in-patients treated was £52/8/-.

One hundred and seventy-six babies were born.

Two hundred and four out-patients were treated and 236 out-patients attended.

Staff: Administrative: 2; nursing: 17; General: 8.
